

bridge
community church

Hello Church Family,

As all of you are aware by now, we find ourselves in an unprecedented situation with the local and worldwide outbreak of the coronavirus (COVID-19). While we are not experts, we are doing our best to monitor the situation and keep ourselves up to date with the most current information. We are also doing our best to honor the authority that God has placed in our lives (Romans 13:1-4) while also staying true to God's clear commands (Acts 4:18-20).

With that said, we believe that at this time the best course of action is to **suspend all Bridge Community Church gatherings and activities**. This means **we will not be meeting on Sunday mornings** or in any community groups or small groups.

Because this situation is evolving daily, we plan to continue to monitor the situation as best we can while diligently seeking the Lord's direction through prayer and wise counsel. This means for the foreseeable future, we will give updates once every two weeks with our next update coming on April 1, 2020.

In the meantime, we have several ways for you to stay connected and grow in your personal walk with the Lord. FIRST AND FOREMOST, use this opportunity to start reading a book of the Bible and praying. Because we have been in the Gospel of Luke, we encourage you to start there. We also encourage you to use this time to start committing Bible verses to memory. We hope to put out a list of suggested verses for memory in the near future.

As a church we will only be doing 5 things during the upcoming days. These include:

1. Prayer - We will be intentional to pray for any requests that we receive
2. Hope Videos - We will have a 60 second video of Hope each and every day
3. Conversations - If you are lonely or need to talk, let us know and we would love to chat
4. Grocery Delivery - If you or your family are isolated and need us to pick-up and deliver groceries for you, we will be bring the groceries to you and you can pay upon delivery.
5. Public Servants - We will actively work to help meet needs for those on the frontline

Continue to pray for us as we lead. There is no template for how to navigate the current situation but we know that God is in control and that He will give us the wisdom we need in this time!

We love you guys!

Michael Hill & Andy Kalan
