community church

We are SO excited to be able to worship together again starting THIS SUNDAY, July 12th. However, we wanted to be sure to be wise and safe. Here are some things to expect as you come back to worship with us this Sunday!

Before you come:

- The church facility will be thoroughly cleaned and sanitized before you arrive.
- If you are feeling sick, have a cough, or think you have been exposed to someone with Coronavirus, please stay home. We will continue to make the worship videos available for you to watch at home.

When you first arrive:

- Someone from our leadership team will open the door for you to minimize the amount of people who touch the front door.
- Please have your mask on and covering your mouth and nose for the entire time that you are inside the building. If you do not have a mask, one will be provided for you.
- As you come in, there will be a check in table where someone from our leadership team will take your temperature using a no-touch, infrared thermometer. As recommended by the CDC, anyone with a temperature higher than 100.4 will be asked to go and worship from home.
- There will be markers on the floor inside the building to remind you to remain socially distant from other individuals and families.

Inside the building:

- It will look very different than what we are used to. There are tables and chairs set up that are 6ft apart. Families and/or individuals that have previously been around each other may sit together at tables. **See pictures for better explanation**
- There will be hand sanitizer and masks available if you need one.
- We ask that only one person go in the bathroom at a time unless you are from the same household. Children must be accompanied by an adult when in the bathroom.
- We will not have refreshments available so please plan accordingly and eat before you come.

During the service:

- Doors will open at 10:45am. We will start at 11:00am.
- We will not have any music but there will be an intentional prayer focus each week.
- Michael will preach for 20-25 minutes.
- We will wrap up before Noon.
- We will not pass the offering baskets. Instead, there will be a table with a basket available to place your offering and/or prayer card into.

Bridge Kids:

- We will not have a separate time for our kids in order to help ensure that we follow all current social distancing recommendations.
- There will be a Bridge Kids video and simple activities for your kids to do while listening to sermon.

Again, we love you guys and are so excited to begin to worship together. On behalf of all us, we have greatly missed our church family! Lastly, if you and your family do not feel comfortable gathering together yet, we understand and support you in your decision. We will have the service available later in the day online. As always, if there is something that we can do to better serve you in this season, please let us know!
